PROFESSIONAL SUMMARY

Customer experience professional with 7+ years spanning banking, telecom, logistics, and travel services — a cross-industry breadth that few candidates in this space bring. Track record of resolving high-volume customer and merchant issues, coordinating cross-functional escalations, and maintaining service quality under pressure. Recently transitioned into sales and marketing, applying deep customer-facing experience to lead generation and outreach for travel and tourism services.

CORE SKILLS

- Customer Experience & Operations:** Customer Service Management, Complaint & Escalation Resolution, Case Documentation, Cross-Functional Coordination, Service Quality Assurance
- Banking & Financial Services:** Banking Operations, Card & Digital Banking Support, Anti-Money Laundering (AML) Awareness
- Sales & Business Development:** Lead Generation, Customer Acquisition, Corporate Outreach, Travel & Tour Sales, Booking Conversion
- Professional Strengths:** Communication, Problem-Solving, Relationship Management, Multitasking Under Pressure

PROFESSIONAL EXPERIENCE

Executive-Marketing & Sales | Dreamline Visa Adviser & Training Center

Aug 2026 - Present

- Execute sales and marketing activities & manage prospective-customer inquiries, recommend suitable travel solutions, and guide clients from initial contact through confirmed booking.
- Maintain follow-up records and coordinate service details to support a smooth customer journey.
- Generate qualified leads through digital platforms, referrals, and corporate outreach to support new-client acquisition.

Customer Service Executive | Multidrive Services Ltd. | Deployed to Dutch-Bangla Bank PLC

Dec 2022 - Aug 2026

- Managed 120+ customer interactions per day across ATM, card, internet banking, and mobile banking channels while maintaining service-quality standards.
- Investigated customer requests and complaints, coordinated with internal departments, and followed up on escalations through resolution.
- Provided clear, accurate guidance on banking-service issues and following operational procedures.
- Documented cases and follow-up actions to support timely closure and consistent service delivery.

Customer Support Officer | Pathao Limited

Nov 2021 - Dec 2022

- Coordinated customer-support activities across logistics and delivery operations involving customers, merchants, riders, and operations teams.
- Investigated delivery and service issues, identified responsible stakeholders, and coordinated corrective action to reduce disruptions.
- Communicated resolution updates clearly to customers and internal teams in a fast-paced operating environment.

Customer Service Associate | Genex Infosys Ltd. | Deployed to Grameenphone Limited

Jun 2019 - Oct 2021

- Handled customer inquiries related to telecom billing, connectivity, account services, and general support requirements.
- Diagnosed customer complaints, coordinated with relevant departments, and monitored escalations through resolution.
- Explained service information clearly and professionally while managing multiple customer needs under time pressure.
